

#EvdеKal Filmde Kal

Gülsemin Topal

A collection of vintage photography equipment is arranged on a dark, textured surface. In the upper left, a silver Canon camera with a lens is visible. Below it, a wooden box is secured with a chain and a coin. A watch with a leather strap lies on the box. In the lower right, a black Zenit camera is positioned. The scene is lit with a soft, warm light, creating a nostalgic atmosphere.
